A GROWING NEWSPAPER A GROWING COMMUNITY

EMERALD NIGHT DANCE
Emerald Night is the theme of the student body dance slated for Friday, March 11, in the high school gym. Music will be furnished by Norman Feltner and his orchestra. It's a dressy sport dance and all students must wear green to the affair.

Volume 55, Number 22

CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA

Friday, March 4, 1949

Pictured above is the California State Polytechnic College Collegian dance band which will present a program and noon dance at Campbell Union High school Wednesday. An assembly will be held at 11 a.m. and the noon dance will follow. The glee club will perform at the program. The Collegians are on tour with the glee club and are on their eighth annual trip through California.

"COLLEGIANS" COME TO TOWN

Cal. Poly Men's Glee Club, Orchestra Will Appear In Assembly-Dance Here

The 42-voice men's glee club and 15-piece collegiate orchestra of California State Polytechnic college of San Luis Obispo will present a program and noon dance at Campbell Union high school Wednesday, Al Smith, high school vocational agriculture director, announced today. The assembly will start at 11 a.m. and the dance at noon.

The college glee club and orchestra are on their eighth annual

spring tour which will take them

West Side Center To Meet March 10 In Local School

The West Side Farm Bureau Center will meet Thursday, March 10, in the Campbell Grammar school auditorium, announces Hermann Gerd, chairman.

Following the center's potluck supper, starting at 6:30 p.m., there will be a movie on "Soils" shown and comment upon by M. S. "Bud" Beckley, assistant farm adviser, Agricultural Extension service. Following his talk the center officers will be elected and installed for the coming year.

Hubert's Furniture store on E. Campbell avenue, has installed a huge new neon sign.

Carnival Grosses Over \$2000

The Carnival for Old Settlers' Day grossed \$2788 reports Jack Payne, finance committee chairman.

"Any group who has outstanding bills pertaining to Old Settlers' Day should contact me on or before Tuesday, March 8," said Payne. He can be reached at the American Trust Company bank.

All committee heads are urgently requested to be present at the final Old Settlers' meeting Tuesday in room 7 of the Chamber of Commerce, said Forrest Reese, general committee head. Chairmen are asked to bring their written reports on the celebration to the meeting.

All reports on Old Settlers' Day will be submitted to the Chamber of Commerce at their regular meeting Wednesday, March 16.

TO EXPLAIN FEDERAL AGREEMENT

Campbell-Los Gatos Prune Growers To Meet In Grammar School March 9

Prune producers of the Campbell-Los Gatos area will be given a detailed explanation of the provisions of the proposed federal marketing agreement for the prune industry at a meeting in Campbell Union Grammar school at 8 p.m. on Wednesday, March 9.

This meeting is one of 12 being held in the principal prune producing districts of the state in advance of the formal public hearing on the marketing agreement to open in San Francisco on March 14 under USDA auspices. It is one of four meetings being held in Santa Clara county.

Robert A. McArthur, chairman of the California Prune Program Committee, will explain the provisions of the marketing agreement and how it is intended to be administered. He will welcome questions from growers concerning the various provisions of the agreement.

McArthur is a Santa Clara county grower and has been active in the industry for many years. He was instrumental in negotiations with the federal government over purchases from both 1947 and 1948 crops, and in recent conferences dealing with the marketing agreement.

In addition to his explanation of the numerous provisions of the marketing agreement, McArthur will discuss proposals now under consideration for revision of the present State Marketing Order for Prunes so as to bring it as nearly as possible into conformity with the federal marketing agreement, since it is planned that the two programs be dovetailed together to be administered as nearly as possible as a single, comprehensive program.

Arrangements for the meeting were made by the Santa Clara County Farm Bureau, which has named Allen G. Anderson to serve as chairman for the evening.

Invitations have gone to other Santa Clara county members of the program committee to be present, including Stuart Fletcher, Lewis W. Armstrong, D. J. DiFiore, and Dominic Catania.

All interested growers are urged to attend, and an effort will be made to provide ample opportunity for submission of questions from the floor dealing with any phase of the proposed marketing agreement in which a grower may be interested.

Union Principal, Teachers To Host Parents March 11

Union Grammar school will hold open house in its new building Friday, March 11, from 7:30 to 9 p.m. Principal Kenneth McConnell announced that the moving will be completed Monday. School will be closed Monday during final preparations.

"We hope all parents and friends will come to open house and see the new school," said the principal. "The new building has seven rooms as compared to two regular classrooms in the old school."

Work began on the new school in August, 1948, and was completed February 25. "Actually it is but one-sixth of the master plan for the enlargement of the school," said McConnell. "If the enrollment calls for more space in the future then additional buildings will have to be constructed."

Present enrollment at Union Grammar school is 200. Classes run from kindergarten through the eighth grade.

"The front of the school will have elaborate landscaping," said McConnell. "Herbert Becklin, a local landscape artist, is in charge of the planning and I think it will be quite lovely when it's finished."

One of the unique features of the new Union school is the lighting system. In addition to a row of north windows the classes will benefit from large central vertical windows. Each room and office is also equipped with germicidal lights.

Another feature of the school on Los Gatos-Almaden road at Union avenue is the visual aide facilities which will be a part of each classroom.

The Union Home and School club mothers, sponsors of the school cafeteria, are aiding in the new lunchroom. Temporary room to be used for a cafeteria is being equipped by the fathers of the Union school children. They constructed and moved the counter to the new cafeteria. The mothers will help paint and prepare the room for use when classes open on Tuesday.

Refreshments will be served to those attending open house Friday.

Press Opens Big Campaign

New Hospital Board Elects Herbert Shadle President Of West Valley District

Herbert M. Shadle, prominent civic leader in Campbell, was elected president of the new West Valley hospital district as the board of directors met for the first time in Los Gatos Monday night. Also serving as a director is Martin S. Walsh of Campbell.

Harry S. Whiteman, Los Gatos, was named secretary of the board. Other directors include Dr. Merlin T. R. Maynard, Saratoga and H. W. Osterlaus, George J. Stepovich, whose Los Gatos office, suite 4, 131 Main street, was designated as the board's official meeting place, was named as the board's attorney.

Night Lights Cost Would Be \$5000 Says PG&E Official

In a special meeting to promote night lights for baseball games in Campbell, over 40 delegates of 16 Campbell area organizations and clubs met in the Campbell Grammar school auditorium Wednesday. Heading the meeting was chairman Mrs. Mary Gray of the Business and Professional Women's club, sponsors of the project.

The cost of installation for the night lights would be approximately \$5000 said PG&E official William Addison. Each of the proposed eight poles would run about \$575 and the official suggested a contractor be called in for the work.

A suggestion that the County Board of Supervisors be contacted to see if they might lend aid in the project was approved and Mrs. Grey said the matter will be investigated. Another suggestion that the labor for the project be done by volunteers was stymied when Addison said such a plan would involve a great deal of supervision on the part of one person to coordinate activities.

Also brought up by one of the club delegates was the possibility of installing the lights on the high school football field so that it could be used for both night football and baseball. Original plan was to install lights on the baseball diamond. The suggestion, however, will be studied and a definite location for the lights chosen before any further action is taken.

State To Open Elaborate Play

San Jose State college will open its latest production, complete with elaborate sets, "Right You Are! If You Think You Are," on March 10. John R. Kerr will direct the spring production.

Kiwanis Honor Retiring Custodian At Meeting Tuesday In Club Room

Antone Ferro, former head custodian at the Campbell grammar school, was honored at the Kiwanis meeting Tuesday in the Country Woman's club. Presiding over the meeting was Lowell Benson, president.

Visitors at the meeting were Richard Gordon, Campbell; Dr. O. S. Hubbard, San Jose, and Andy Santana, Campbell.

Ferro, the guest of honor, and Clarence Nelson both received the sixty-year perfect attendance tab.

In honor of Ferro William C. Henley, superintendent of the Campbell Union grammar school district, read a short biography of the retired custodian. He mentioned the many services which Ferro has so willingly given to the community and the good deeds he has done.

In appreciation and recognition of his many long years of service a Kiwanis member, Joe Gomes, presented Ferro with a small gift. A girl's sextette from the grammar school eighth grade rendered a parody on "I've Been Working on the Railroad" for the guest of honor.

A musical number was given by Connie Silva who played Beethoven's German dances as a piano solo. Gerald Ramowsky gave a recitation of "Casey at the Bat." The Boys' Glee club of the Campbell Grammar school, led by Mrs. Ben Ziegler and accompanied on the piano by Mrs. Calvin Roll, sang "Go Down Moses" and the "Vesper Hour."

Abel Brown, high school student, was also a guest at the meeting. He was introduced by D. H. Cramer.

Anello To Head Subscription Contest From March 15 - May 16; Columbia Bike Is First Prize

A bagful of the biggest prizes the youngsters of Campbell have ever seen are awaiting the winners of the huge two-month subscription campaign for the Campbell Press that opens March 15. Registration for contestants starts today according to campaign manager Joe Anello.

First prize to the boy or girl that sells the most subscriptions to the Campbell Press is a super deluxe Columbia bicycle of the latest design. The red and white streamliner is on display in the Campbell Hardware. After two weeks it will be moved to other merchants in Campbell for display until the contest closes on May 16.

"Any boy or girl 11 years of age or over may enter the contest with his parents' consent," said Anello. Letters will be sent to all parents whose children sign up for the contest. Written permission, on the letter, will be required of each contestant.

"Kick-off for the big campaign is March 15," said the campaign manager. "All youngsters who sign up will be given certain areas to cover so that there will not be any 'cutting in' of each other's territory. Each contestant will be given an equal chance to get as many subscriptions as possible."

Second prize for the contest is a set of two pair of all-leather boxing gloves. To the third prize winner goes a complete archery set with steel tipped arrows. "To all contestants who sign up and sell more than five subscriptions, but are not prize winners, The Campbell Press will throw a big beach party at the end of the campaign in May."

Residents in Campbell who are in one child's area but know a boy who is in another area are privileged to give their friend the subscription. All of the boys will be made to understand this procedure. "Every home will be covered," said Anello. "Naturally, there's going to be some duplication and some mistakes. We hope the people of Campbell will give the boys a break and help them as much as they can."

All the youngsters in the contest will be equipped with an official Campbell Press receipt book. Residents taking a subscription are cautioned to ask for their receipt so that there will be no misunderstandings. Boys will receive a commission in addition to a chance at the three grand prizes, Anello remarked. Each boy, at the end of the campaign, will be paid 75 cents for every subscription he obtains. Each subscription costs \$2.50.

"Every boy or girl who enters will receive something for his time and effort. They'll get a commission for each subscription, a party if they sell over five subscriptions, and a chance at the three top prizes to be awarded in May," said Anello.

The Columbia bicycle will come equipped with all bicycle accessories including a saddle seat, a headlight that throws beams 500 feet, an automatic traffic buzzer, and many other features.

Watch the Press for more details of this exciting new contest that offers something for every contestant.

Rotary, Kiwanis To Meet Jointly

Members of the Kiwanis and Rotary clubs will meet in a joint meeting Monday, March 7, at the IOOF hall at noon. The Kiwanis will attend this meeting in place of their regularly scheduled Tuesday meetings in the Country Woman's club.

Community Council Meets Tonight

Campbell's Community Council will meet tonight at 8 p.m. in the Cambrian school to reorganize the funds for the Community Chest, announces Ray Fish, president.

The Council has been reorganized to allow equal representation on the Council of the many service organizations in the community. All are welcome to attend the meeting, Fish said.

Trustees Approve 20 New Classrooms For Local Schools

The Board of Trustees of the Campbell Union elementary school district met in special session Wednesday and approved plans for additional rooms at three local schools. Campbell grammar school will get six additional rooms, San Tomas six rooms, and Moorpark eight rooms.

Money for the projects will come from the bond funds recently passed by this district. Bids will be called for immediately according to William C. Henley, district superintendent, in whose office the special session was held.

"Architect for all of the construction will be Kump and Falk of San Francisco," said the superintendent. "We hope to have the additional rooms ready by the time school opens for classes in the fall."

Members of the Board of Trustees for the Campbell Union Elementary school district include Ross C. Trowbridge, president; E. F. Farnham, clerk; Lee L. Anderson, Edwin C. Van de Mark, Walter W. Williams and Henley.

LIGHTS OUT!
If the electricity went off in your home Wednesday evening it was due to a line short circuit, said a PG&E official today. A wire went down in the vicinity causing the hour and a half shutdown of electricity.

Frederick Martin Dies In Hospital After Auto Mishap

Frederick J. Martin, age 89, died at the County hospital Tuesday of injuries he received when struck by an auto February 12 on San Jose-Los Gatos road.

Driver of the car which struck Martin was identified by Highway Patrolmen Al Koven and Douglas Daly as Robert C. Gundy, 25, of 22 Pine road, Los Gatos. Gundy was not held following the mishap.

Funeral services were held for the Campbell man yesterday at Place Funeral home in Los Gatos.

Surviving Martin are his wife, Mrs. Ann T. Martin of Campbell; daughter Mrs. Austin Jones and four grandchildren, all of Rogue River, Oregon.

Martin was a native of Connecticut.

Beverlee Jensen Presides Over Job's Daughters

Miss Beverlee Jensen, honored queen, presided over the regular meeting of Bethel 174, Order of Job's Daughters, Saturday in the IOOF hall.

Plans were discussed and committees named for the Grand

(Continued on Page 4)

WHO DID IT?

Who took the picture? That's what Mrs. Amye Roberts would like to know. Someone snapped a picture of the Cambrian Patrol boys, first prize winners in the Old Settlers' Day Parade, while they marched down Campbell avenue.

Both Mrs. Roberts and the boys would like to have the picture. Whoever snapped the picture of this prize winning group please call Mrs. Roberts, Campbell 2145 and you have an order.

Now, who took the picture?

Social News of Local Interest

ALICE JOY GOLDBER, Women's Page Editor

Local Grammar School PTA Elects Mrs. L. W. Brown as President To Succeed Mrs. J. R. Longfellow

Mrs. L. W. Brown was elected president of the Campbell Union grammar school PTA at the meeting Tuesday in the grammar school. Turning over the gavel to the new officer was Mrs. J. R. Longfellow, past president, who presided at the meeting.

Other officers elected were: Mrs. William Ostmeier, first vice-president; Mrs. Clarence Nelson, second vice-president; Mrs. David Baxter, third vice-president; Mrs. Robert O'Fling, secretary; Mrs. Ray R. Davis, treasurer; Mrs. L. Ben Howard, historian; and Mrs. Dorothy Royce, auditor.

New officers were elected on the white ballot following nomination by the nominating committee headed by Mrs. Anita Perata.

Robert Booth, executive secretary of the Santa Clara County Family Service, spoke to the PTA on "Two Parents Build a Real Home." He listed and developed nine danger signals of juvenile delinquency symptoms in his talk. The signals discussed were day dreaming, not adjusting to every day problems, shyness, demanding to be boss, one whose feelings are easily hurt, always or never wanting to be first, crying easily, telling exaggerated stories of the home and nervous habits.

Mrs. Brown then took over the meeting along with the other new officers. A demonstration of a new arithmetic method was given by the fourth grade students of Mrs. Anna Smith.

It was reported that the PTA cleared \$196 in the recent card party. The members voted to give \$70 to the school cafeteria for new cups.

Mrs. J. R. Longfellow will be

in charge of the rag drive the PTA is sponsoring through March 8. The drive began February 28. The women were told that both woolen and cotton materials will be accepted in the drive.

Prizes are to be awarded the classrooms that bring in the most packages of rags. Money collected in the drive will be used to purchase gowns for the grammar school glee club.

At the close of the meeting principal Mrs. Dorothy Royce asked parents to help their children keep their dogs at home. Each morning the dog pound will pick up stray dogs around the school.

Mrs. Ruth Stuart To Speak at PTA

Mrs. Ruth Stuart, school coordinator, will speak on "Aids in Teaching" to members of the Moorpark PTA Tuesday, March 8 at 2:30 p.m., in room 9.

The nominating committee will give their reports followed by an election of officers. Refreshments will be served by second grade mothers.

Carrin Talks On Spring Gardens; High School Glee Club Sings For Members Of Country Woman's Club

"Spring Gardens" was the topic of guest speaker William Carrin, Agricultural Extension Service, as he spoke before members of the Country Woman's club February 21.

Presiding over the meeting was president Mrs. F. A. Jacobson with Mrs. R. L. Nelson serving as chairman for the day.

In his talk to the women, Carrin suggested various ideas for flower gardens and entertained the group with colored slides of the 1949 Tournament of Roses in Pasadena.

Recent arrivals in Campbell department: Mr. and Mrs. Jack Franklin Hammer are the parents of a boy, Craig Steven, born February 18 at the Community Service hospital. At the same hospital came a girl, Connie Marie, February 18, to Mr. and Mrs. Ezell Starkey.

And at O'Conner hospital Mr. and Mrs. Lesley Howard Baldinger of Campbell had a boy. His name is Michael Christian and he was born February 12.

Happy Birthday little Sandy Barrett! That's what friends sang to the daughter of Mr. and Mrs. Bernard Barrett of Campbell Monday. Sandy celebrated her fourth birthday with six young friends. Cake and ice cream were served to Mickey Smith, Carolyn, Martha Lou and Tommy Uchytill, Mardel Romano, and Billy Ross. The children played all kinds of games and had a wonderful time.

Francis W. Reid, now of Berkeley, dropped a note to let us know he too shared in the old settlers' times in this area. He said the first time he visited Campbell he had to open and close 13 gates and pass through the Campbell ranch barnyard. He was architect of the Cooper and a number of other residences in Campbell and vicinity, the Congregational Church and the San Tomas and Hamilton schools, all afterwards wrecked or remodeled. He said hello to the old timers of Campbell.

Judith Lee Clever, daughter of Mr. and Mrs. C. M. Clever, 118 Sunnyside avenue, was the guest of honor at a birthday party held for her at her parents home. Judy was five years old Tuesday. Friends who helped her celebrate the occasion were Parker Womack, Douglas Hummel, Roland and Elroy Fellman, Patsy and Sharon Williams, Virginia Barnes, and Judy's sister Barbara. Also at the party were Mrs. J. C. Hummel and Mrs. V. F. Fellman. The children especially enjoyed the circus motif when five little clowns were brought in on the birthday cake.

Friends of Mrs. M. W. Bailey who were concerned about her recent illness will be happy to know that she is now on the road to recovery and will be glad to see her many friends again.

Mrs. Felix Bersano, who left this week to join her husband in Reno, Nevada, was the recipient of a surprise brunch Monday morning. Those who gathered to bid adieu to Mrs. Bersano were Mesdames John Perata, John Cantoni, Henry Parysek, F. N. Johnson, Ethan Lanphear, Peter Heinzen, W. Wisler, E. F. Kollmer, Hannah Barber, Joy Longfellow and M. Ostermeier. A lovely dish garden was presented to Mrs. Bersano as a going away gift and also as a reminder to come back to Campbell soon.

4-Hers To Honor Parents at Pot-Luck Dinner March 9 at Grammar School; Shambrook, Larson Will Speak

All parents of the 4-Hers will be the guests of honor Wednesday, March 9, at 6:30 p.m. when the group holds a pot luck dinner in the Campbell Union grammar school cafeteria. Guest speakers will be George Shambrook and Pat Larson of the Agricultural Extension Service.

Both the girls and the boys of the Campbell 4-H club will be the hosts. Advisors for the girls are Mrs. Art Tindall and Mrs. Helen Young. Shambrook is temporary leader of the boys 4-H group of Campbell.

"We need more leaders for the 4-H groups," said Mrs. Tindall. "The boys need someone from Campbell to take over their affairs and we need additional help in the girls' division." The pot luck dinner is to interest parents of Campbell in the activities of the boys and girls of this youth organization.

Last Saturday the girls of Mrs. Tindall and Mrs. Young's group joined in with other 4-H girls' groups of the county at the Roosevelt Junior high school in San Jose. Sixteen girls from Campbell were at the meeting.

Two speakers, one from Hale's Department store and one from Penney's Department store told the girls about patterns, making clothes, and ready-to-wear purchases. Then a movie "How to Make a Dress" was shown. Following the lectures the girls were served refreshments including cake with thimble favors for each.

Following the joint meeting the girls went on a shopping tour in San Jose to apply what they had learned from the lectures. Twenty leaders accompanied the group.

All parents and interested persons are invited to attend the pot luck dinner. Mrs. Tindall hopes, by meeting the parents, that more in the community will aid in supporting this interesting organization.

Footlighters To Meet March 8

The Footlighters will hold their regular monthly meeting Tuesday, March 8, at 8 p.m. in Mrs. Ida Price's barn on Dry Creek road. Presiding over the meeting will be Mrs. J. R. Levenberg, president.

Do you know that The Campbell Press is the oldest weekly in the Santa Clara Valley.

Miss Peake Speaks At Meeting Of Woman's Club

Miss Marion Peake, Campbell's popular lecturer and traveler, spoke before members of the Campbell Woman's Service club last week at the home of Mrs. Ray Fish.

Assisting Mrs. Fish at the meeting were Mrs. Lawrence Osborne, Mrs. Harold Drummond and Mrs. Frank Richardson.

Miss Peake told the women of many of her interesting experiences while in Europe a short while ago. Soon she will return to serve again with the U. S. Army.

The Service club's annual music tea will be held April 6, it was announced. General chairman for the big event is Mrs. Herbert Binley. Other chairmen include Mrs. L. J. Hill, program; Mrs. Milton Robertson, food; Mrs. Arthur Tindall and Mrs. C. H. Ackerman, decorations; Mrs. Ruby Howes, keepsakes; Mrs. Joe Dahl, tickets and reservations; Mrs. Harold Drummond, printing; Mrs. Guy Farley, table decorations; Mrs. William F. Runge and Mrs. Dean Chamberlin, publicity; and Mrs. Frank Richardson, major domo.

The CAMPBELL Register

Two students from Campbell will appear with the A Cappella choir of San Jose State college when it gives its annual concert Tuesday evening, March 8, in the Morris Dailey auditorium on the college campus. They are Robert L. Sylva, son of Mr. and Mrs. Frank M. Sylva of 1127 Thornton Way and Wesley K. Walton, son of Mr. and Mrs. Dyke Walton, 1966 Park avenue. Sylva is a sophomore music major and Walton is a senior majoring in music. The choir is under the direction of William Erlendson of the music department faculty.

Mr. and Mrs. Harry Malacord, Paul Malacord and Alice Garcia of Oakland were the weekend guests of Mr. and Mrs. J. O. Souto on Central avenue.

Members of the Campbell Garden club who attended installation ceremonies of the Santa Clara County Flower Lovers club last week were Mesdames: Joy Longfellow, Amel Ribbet, Ethan Lanphear, A. F. Leal, Frank Johnson, R. J. Heinzen, W. A. Smith, L. J. Barber, Rex Kaber, Arnold Peck and Josephine Seby. Mrs. Peck, president of the Campbell club, spoke for her group at the luncheon.

Sergeant Donald L. Williamson, son of Mr. and Mrs. Virgil L. Williamson of Campbell, is scheduled to return to the states in the near future. He left Guam around February 5. Sgt. Williamson is a member of the 1958th Airways and Air Communications Service Squadron. He served as a supply technician, communications, for a period of 21 months with his squadron.

Prior to his enlistment in the Air Force in September 1946, he graduated from Campbell Union high school. Sgt. Williamson is scheduled to be separated from the Air Force next July.

Reife S. Ehret, of the Santa Clara Stove company, and freelance photographer, recently won first and second place in the Cameraderie Camera club in San Jose. Ehret also took most of the recent photographs for the Campbell Press of Old Settlers' Day.

Corporal Loren D. Pierce, son of Mr. and Mrs. J. W. Pierce, has returned to the U. S. for reassignment. A telephone installer and repairman, he worked at the Chicago exchange, the largest of Guam. Airmen Pierce used to pilot his own plane at San Jose airport. He is a graduate of Campbell Union high school where he starred in high and low hurdles.

Visiting at the home of her brother-in-law in Toledo Ohio, is Mrs. Forrest Reese of Campbell. She is visiting at the home of

Clyde Reese, brother of Forrest Reese of Campbell. Mrs. Reese will stay in Ohio for a month's vacation before returning to Campbell.

Mrs. Betty Allen, former editor of the Campbell Press, writes to Mrs. Edna F. Smith of Campbell, that the weather in her new home in Oregon is dreadful. She wrote that school buses only run on main thoroughfares, so bad are the roads. She added that battling the elements keeps them all pretty busy at present but that everyone in Oregon is looking forward to spring. We might add California weather, judging from the Oregon reports of the Allens, isn't so bad after all.

They're going to be married! Yes, in about four weeks Orrin Accardi, son of Mr. and Mrs. Frank Accardi, will take as his bride Eleanor Van Shute of San Jose. The ceremony will be in Texas. Young Accardi is now in the U. S. Army stationed at Fort Bliss Texas. Miss Van Shute, together with Mrs. Accardi and daughter Marilyn, will travel to El Paso shortly for the wedding on the base or in El Paso.

David Davidson has come to Campbell to take on the duties of manager of the Campbell Theater. He replaces Steve Butler who left for another position in Los Angeles.

SPOTLIGHTING SPORTS

By
MARV SCARPER

Campbell high school and the town of Campbell should be very proud of the high school's wrestling team which won the SCVAL wrestling championship last Saturday at Gilroy. The local boys came out on top by placing seven men in the final matches. Four of these took championships while the other three lost but still received second place honors.

Champions from Campbell were Jack Stevens, 112 pounds; Mike Stepovich, 145 pounds; Bruce Abernathy, 165 pounds; and John Aspeci, 175 pounds. Runners-up were Ignatio Lopez, 127 pounds, Ray Abernathy, 133 pounds, and Jack Drew, 154 pounds.

Final scores were Campbell 33, San Jose Tech 26, Gilroy 25, Santa Clara 18, and Fremont 0.

This culminates a very successful season for the Campbell wrestling squad which is under the direction of Coach Robert Culp and student coach Earl Connelley. These men rate much credit for their fine work in directing the Red and Blue to their first championship of the 1949 athletic season.

Speaking of championships, it might be mentioned at this time that during the year 1948 Campbell high school beat Los Gatos high school in varsity football, baseball and basketball and had a higher score in the SCVAL track and field finals held at Fremont. The Bucs got off to a fine start this year only to be robbed of a victory because of a forfeit. This is, of course, a league ruling and Campbell accepts it. But it was a victory, morally, just the same.

For the first time this year the Campbell basketball teams swept a twin bill in league play. Gilroy was the hapless victim for the Bucs who put on their best scoring efforts of the season for a good showing in their last league game. The varsity took the Mustangs 42-30 after piling up a 17-5 score at the end of the half and virtually coasted to victory for the rest of the game. Dan Estrada tallied 11 points for high honors. Hal Layman put in seven for second honors.

In the 130 game the Red and Blue clad boys trounced the luckless Ponies 40-25. Del Ambler scored 13 points for the Campbell cause while Ned O'Hara added seven and Joy Martin scored six. This was a fitting climax for the two teams' last home appearance.

Playing in their last home game for the varsity were graduating seniors Ron Cantoni, Don Forrest, Bob Jordan and Dick Yeager. Completing their basketball careers for the 130's were Rich Azevedo and Don Sakamoto. All six of these boys will be missed by the teams and deserve credit for their splendid playing this year.

NOTES FROM THE NOTEBOOK

Basketball . . . Campbell at Mt. View tonight at 7:30 for the last game of the season . . . Track practice started last week. Coach Bill Perry will mentor this year's cinder squad. The 130's will have the NCS championship to defend and the 110's are the SCVAL defending champs.

'Sorry - Too Late

"We're sorry, but it's too late for this week." No one likes to hear that phrase when they have interesting news items for the Campbell Press. And we don't like to say it. But if the paper comes out on time certain deadlines must be observed. For the benefit of clubs and organizations here is the deadline schedule for stories appearing in the Press.

SOCIETY — Not later than Wednesday noon.
SPORTS — Not later than Wednesday noon.
CHURCH — TUESDAYS.
PAGE ONE — Not later than Thursday noon.

So get those news items in as soon as possible for both advance notices and write-ups of events. Try to get them in the first of the week, Monday and Tuesday, as it assures you that your item will appear. Late items run a risk. If you remember these deadlines we won't have to say "Sorry, it's too late for this week."

THE CAMPBELL PRESS SPORTS

Champion Buc Matmen Take SCVAL Tournament Title At Gilroy

Sparked by champions Bruce Abernathy and John Aspeci, the Campbell Union high school wrestlers walked off with the 1949 Santa Clara Valley Athletic League Tournament championship Saturday night in the Gilroy high school gym.

Placing second was San Jose Tech followed by Gilroy, Santa Clara and Fremont.

Coached by Robert Culp, the Bucs' new mentor, the boys won their second league championship in two years by a total of 33 pts. They placed men in seven of the 11 weight divisions in the finals.

Both Bruce Abernathy and Aspeci won their titles for the second straight year. Also winners in the meet were Jack Stevens, 112, who pinned Menacho of Santa Clara, and Mike Stepovich, 145, who dethroned Lautiano of Santa Clara. Bruce Abernathy took the 165 pound class pinning Shortino of Santa Clara while Aspeci won a decision from Mayer of Santa Clara.

Also in the tournament finals for Campbell were Ray Abernathy

who lost a decision to Higashi of San Jose Tech in the 133 pound class and Jack Drew who went down under the power of Subia of Gilroy in the 154 pound weight class.

"The boys did a fine job," commented Coach Culp, "and we certainly were proud of them. We'll miss the services of Joe Aspeci who graduates this year as well as Mike Stepovich. But the rest of the boys will on call for the 1950 season."

Assisting the matmen coach at the meet was Earl Connelley, physical education student at San Jose State college.

The Campbell boys who placed or won in the finals received gold and silver medals presented by the Gilroy Tournament queen.

Maderis Snatches Championship From Busy Bee Quintet In Playoff Contest Tuesday Night, 24-18

In a slow moving contest that saw baskets few and far between, the food boys from Maderis snatched a 24-18 victory from the challengers Busy Bee to cop both the championship of the second half and the grand championship of the Campbell Basketball league Tuesday night in the local gym.

At half time the score was 18-10. In the second half Maderis hit the basket for six more additional points while Busy Bee collect eight. The game was clean throughout with only a few personal fouls being called in the closing minutes of play.

Maderis took the title during the first half of the season's play while tying with Busy Bee and Jones service for the second half honors. In the playoffs Busy Bee defeated Jones to become eligible for the second half title. But with the victory of the Busy Bee quintet Maderis sewed up both titles for the undisputed championship.

The Campbell Chamber of Commerce presented the Maderis outfit with a championship trophy for their efforts in league competition.

Boxscores for Tuesday were:

Gail Plymale Attends BPWC

Gail Plymale was named as the Netops Council Degree of Pocahontas representative to the Business and Professional Woman's club baseball lighting meeting held Wednesday. She was appointed at the regular meeting of the Council last Friday in the IOOF hall.

Several members will travel to the Ne-ma-ha Council in Sunnyvale March 14 to take two candidates for adoption. They are Virginia Gallagher and Willamena Moris.

Drill nights for the degree team will begin March 30 to prepare for the forthcoming visit of the Great Pocahontas Merle Fryer.

The Great Incheonnee Visit will be held in San Jose at the Roosevelt high school auditorium March 31, it was announced. Marion Pankoski was appointed chairman for the next meeting Friday, March 11, in the IOOF hall.

The Sequoia Sewing Circle will meet at the home of Inez Means, 196 Harold avenue, San Jose, at which time election of officers will be held.

Bucs Close Season Against Mt. View In Game Tonight

The Bucs of Campbell High will close their 1948-49 basketball season tonight when they meet the Mt. View squad on the visitors' home court at 7:30 p.m.

Both teams are currently tied for fourth place in the SCVAL with three wins and four losses apiece. Starting lineup, as announced by Coach Bill Perry is as follows: Don Merrill and Dan Estrada, forwards; Harold Layman, center; Captain Ron Cantoni and Dan Forrest, guards.

Boys Gym Open Twice Weekly For All Adult Teams

The boys' gym at Campbell Union high school will be open Tuesday and Thursday nights from 7:30-10:30 p.m. for all adult men's teams announced Bill Perry, physical education instructor.

"Any adult team or individual who would like to play ball in the gym is welcome to come," said Perry. "It's open for practice to all adults."

If any team wishes to contact Perry they should call Campbell 3481.

ASSEMBLYMAN JONATHAN J. HOLIBAUGH, Huntington Park—"Social standing in Sacramento is determined by the kind of State car you drive."

"Diapers are Essential."—Headline of advertisement. Yes, indeed. One might even say they are among the fundamental necessities.—Cincinnati Enquirer.

Gene Vargas, Ed Merrill, Bill Laeson, Cliff Smith. The pageant was directed by assistant scoutmaster Jim Olds. The display of scouting show, through the courtesy of George Jeffers, was prepared by scouts Robert Schaeffle, Bill Plymale and Gene Vargas.

said bids will be opened and read in public, for furnishing of all materials and labor for the erection and completion of six additional classrooms and lavatories at Cambrian School, located on Los Gatos-San Jose Highway and Casey Road, Santa Clara County, California. Bids shall be presented in accordance with plans and specifications prepared therefore by Charles E. Butner, 985 The Alameda, San Jose, California, Architect.

The Board of Trustees reserves the right to reject any or all bids and waive any informality in any bid received.

Cashier's or certified check, or bidder's bond for an amount not less than 5% of the amount of the bid, but not more than five thousand dollars (\$5000.00) shall accompany each proposal drawn payable to the order of the Cambrian Elementary School District, as a guarantee that the bidder will, after being notified of the acceptance of the bid, enter into a contract with the Board of Trustees of said School District in accordance therewith, and will furnish the surety bonds as required by the specifications, said check or bond to be forfeited to the said school district should the bidder fail to execute contract and furnish bonds as above mentioned.

All contractors shall be required to pay the general wage scale prevailing in the County of Santa Clara, which wage scale has been set out in detail in the order enacted by the Board of Supervisors of the County of Santa Clara, City of San Jose, California, and now on file in the Office of the Clerk of said Board in the County Court House of the County of Santa Clara, City of San Jose, California.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

All bids are to be made on forms furnished by the architect. Plans and specifications are on file in the office of the Board of Trustees of the Cambrian School District and copies of said plans and specifications may be obtained from the office of Charles E. Butner, Architect, 985 The Alameda, San Jose, upon deposit of \$25.00 per set.

THIS WE LIKE TO SEE!

One Among Many

Gentlemen:

May I congratulate you on your paper having the most local news since—to my knowledge—it has been printed.

I had considered discontinuing the Press (no longer being a resident of this area) but when you took over and gave us such a lot of local news of people we knew, we changed our minds. Keep up the good work.

Mrs. F. O. Bohnett,
1331 Santa Barbara Street,
Santa Barbara, California.

(EDITOR'S NOTE: We received this letter in our morning mail, and it made us very happy. So we thought we'd let the readers of our Shopping News and Press know that they are not the only ones who consider the Campbell Press a much-improved publication.)

...when you cook with a WEDGEWOOD Gas Range

You don't have to be an expert to get perfect results with a Wedgewood Gas Range. One of the secrets that make the Wedgewood way the "easy way" is superior one-piece oven construction. It gives perfect browning, thorough center-of-meat cooking, and at the same time allows the meat to retain all the rich natural juices. Results: "Mouth-Watering Flavor." For holiday or every day cooking you'll be happier with this high quality, low cost Wedgewood Gas Range.

What's News IN MOORPARK

Mrs. Geneva McArdell, president of the Moorpark PTA, entertained officers and committee chairmen in her home at 2456 Pioneer avenue last Tuesday afternoon. Before the board meeting she served ice cream, cake and coffee. Those present were Mesdames Helen Peterson, Bertha Raab, Irma DiBenedetto, Donna Tuttle, Dorothy Christian, Rose Graham, Trudy Anderson, Nancy Gorman, Helen Andres, Lorraine Tyson, Aileen Tapogna, Jackie Hosheit and Principal Ben Mable.

Last Tuesday George J. Lauer, contractor for the first of the new buildings, moved onto the school grounds and began to display evidence of what was to come for the remainder of the school year. Answered now is the stock question, "When will the new buildings be started?"

Officer Ed Snow of the California Highway Patrol visited the kindergartens of Mrs. Dorothy Mausteth and Mrs. Florence Myers last Monday. He won over the children with his kind and friendly manner. This was in connection with their present unit on policemen.

Mrs. Jane Spofford, who watches the Beverly tract pupils cross over the Los Gatos-San Jose highway each morning and noon, is quite encouraged with the improvement in the attitude of motorists who at first seemed reluctant to pay much attention to safety signs in the crosswalk. Where several license numbers were at first reported to Chief Tressler each week, now it's less than one in six weeks. Mrs. Spofford is assisted by two boys on the school safety patrol.

Carol Young, fifth grade, reporting:

We have a Science club. Bobby Young is the president. Margaret Stanley is the secretary and Donnie Kralyevich is the treasurer. We meet on Friday. Then the class divides up into little groups. One of the groups is called Our Domestic Flower club, another Birds and Animals and many others.

BALLARD 7372
SAN JOSE

The groups meet on different days. The room is decorated with pictures and activities from all the clubs. One day Bobby brought a grasshopper to school. It is about three inches long and about the biggest we've ever seen. We have an aquarium with four fish in it. We also have some beans in a jar. We put water on them every day and they are beginning to sprout.

One of the clubs we have is the Rock club. They tested some rocks for limestone. To test the rocks they put hydrochloric acid on them. If they bubble, they have limestone in them. They also have some shale sandstone and some hard coal. They need some crystal and some soft coal. We also have some pictures of a two headed turtle. One of the pictures shows one head sleeping and one head awake.

Sixth Grade News—Our class enjoyed a recent visit by Mrs. Ruth Stuart who gave us an interesting talk on her visit to Canada. This talk was very helpful in our social studies.

Letters written by our English class recently have included the following: to Frank Bourquin who has been absent for several days. We hope he will be able to return to class soon; and a letter of thanks to San Jose Rotary club for printing our theater passes for our Traffic Patrol.

We would like you to meet our school Safety Patrol. They are: Robert Neily, traffic captain; Kathleen Stanley, lieutenant; Clifford Mallory, sergeant; and Anita Raab, sergeant. The patrolmen are: Jon Pimberton, Tommy Natoli, John Stanton, Jon Pedersen, Donald Hines, Lloyd Myers, Peter Flores, Marcia Webb, Donna Hines, Veda Thompson, Robert Reykers, Jimmy Petersen, Buddy Gussman and Donald Lewis.

Dr. Robert Bush Will Address High School PTA

Dr. Robert Bush of the Stanford University will be guest speaker at the Campbell Union high school PTA meeting Wednesday, March 9, at 2:15 p.m. in Buc's Cove at the school.

The high school drama department will present a short play for the entertainment program. In the business session new officers for the year will be nominated. Guests will be PTA members from the Burbank district with Mrs. W. L. Powell acting as chairman for the day.

All reports of chairmen are due in not later than Wednesday. Prior to the regular meeting, an executive board meeting will be held in Principal Laurence J. Hill's office at 1:15 p.m.

Pensioners Rally At Meeting Here

Constant efforts of opponents of Proposition 4 to sabotage the aged and blind aid measure, which have come to a head in the scheme to repeal the amendment, were discussed fully at a meeting of the Citizens' Committee for Old Age Pensions which was held Friday, March 4 at 2:00 p.m. in the City Library hall, Campbell.

"KEEP THE GANG TOGETHER"

Barrett Calls First AFA Meeting For March 31 In Civic Auditorium

Recent announcement of the plans for organization of a San Jose Squadron of Air Force Association was enthusiastically endorsed by Washington, D. C., headquarters and Tom Stack, Commander of the California Wing of the association.

Heading the squadron in its organizational phase will be Bernard Barrett, 661 Emory Ave., Campbell. Barrett announced the first meeting for Thursday night, March 31, 7:30 p.m. in Dunn Hall, Civic Auditorium, San Jose. At the request of local members who asked assistance from the State organization in launching a San Jose unit, Tom Stack has been invited to attend the organizational meeting.

A feature of the meeting will be the showing of a sound-color motion picture "Ames In Action," produced by the Ames Aeronautical Laboratory, Moffett Field. The film shows the field of aeronautical research carried on by the Laboratory.

Largest veterans' organization to grow out of World War II, AFA was organized nationally two years ago—on a non-partisan, non-political basis—under the leadership of Jimmy Doolittle. AFA now numbers well over 100,000 Air Force veterans. With democracy the keynote, AFA is organized without regard to rank or rating. Primary objectives: to "Keep the gang together" by preserving the comradeship of those who served in the Air Force, to promote the continued progress of aviation; and to strive for the maintenance of American air power adequate to defend the peace.

On a statement of policy, Barrett said that, "As an organization of Air Force veterans formed in the interests of national security, we repeatedly have expressed the desire to incorporate into one air arm the Air Force, Naval Air Force and the Marine Corps."

A 'FATHER FLANAGAN' TO THE BOYS

Antone Ferro Retires After 27 Years Of Service For Local School

Antone Ferro, head custodian at the Campbell grammar school, retired February 1, after 27 years of faithful services. The children, teachers, administrators, and other associates have already felt his absence from among their ranks, as he was loved and respected by all.

Tony was born in San Miguel, Azores Islands, but spent all of his early life on the plantations of the Hawaiian Islands. He attended school in Honolulu. At one time or another he has been able to speak Hawaiian, Portuguese, Japanese, and English. He came to Oakland in 1890 where he worked in jute and cotton mills for three years. Santa Clara Valley was his next stop, working on the Durdach ranch which is on Winchester road opposite Payne avenue. Growing on each side of the lane leading to the ranch house are tall palm trees, planted by Tony. He takes much pride in reminding his grandsons of these stately living memorials.

To prove his versatility, Tony worked for the Western Meat company of South San Francisco, Merchants Ice company, and the Pacific Manufacturing company of Santa Clara before purchasing a prune ranch on Latimer avenue. Before the local streets were paved, the citizens of Campbell were grateful to Tony for keeping the dust settled, as he drove the county water wagon during the office of Supervisor John Roll.

The yearning for his early days has taken him back to Honolulu four times on vacations, but he says he is perfectly content to spend the rest of his life in Campbell with his wife, three sons, one daughter and two grandsons. What grandfather would ride a bicycle to the country and help his grandsons pick prunes but Tony Ferro?

Tony gave up his varied career to become custodian of the new Campbell Union grammar school in 1921. Besides keeping the gardens beautiful, and the building in tip-top condition, he escorted the school children across busy streets. If a window was broken, if a lock needed repairing, if the heating or plumbing systems needed attention, it was Tony who came at the sound of two short bells to remedy the situation. Nothing was ever too difficult for him to undertake.

Campbell community has always been proud of its beautiful grammar school and grounds, and much credit goes to Tony for helping to keep it that way. No teacher dared wash her boards with water or put a nail in the wall; while no child dared play on the lawns or destroy shrubs.

His hobby has always been baseball; his principal interest has been boys. It was never unusual to see him on the playgrounds acting as umpire during physical education periods. The children respected and admired his decisions. One might call Tony a "Father Flanagan II" as he has guided many boys to the right way of life through his helpful and fatherly advice. He has been very interested in the Boy Scout movement in Campbell, and for many years

Air Force. We have pledged our cooperation in getting unification underway and to make it work. Greater economy, efficiency and power could be attained through one Air Force.

"The main and most expensive problem opposing unification is the duplication in air forces and aeronautical research carried on by the Navy. It is evident the Navy is engaged in a definite and concerted attempt to project a second full-fledged air force on the national economy. The Navy has actively opposed legislation to permit the transfer of its air officers to the Air Force, has objected to a consolidation of training installations and activities of the two major air forces, has opposed legislation providing for a joint proving ground for experimentation with guided missiles."

The Air Force association has been warmly praised by civic leaders throughout the nation. The association has carried on an extensive and constructive program, including events to promote aviation progress, formation of squadron flying clubs, staging of model airplane meets, and sponsorship of Air Scout troops. High point of the year's activities is the association's sponsorship of Air Force Day.

Membership in California is nearing the 10,000 mark, with full-fledged squadrons organized in fourteen cities, giving California one of the largest and most active Wings in the nation.

represented the Kiwanis club as a committee member.

He has faithfully served the community by being an active member of the Fire department, serving as commissioner of that public service. No year ever slipped by without Tony joining the PTA. To show how much the parents and teachers appreciated his interests, efforts and services, he was given a Parent-Teacher Association Life Membership in 1946.

The teachers of the Campbell grammar school gave him a farewell party wishing him much luck and happiness during the years that are ahead. He was presented with an electric clock with a gold engraved plate "From the Faculty" 1921-1949.

Aloha! Tony.

Ada Rebekahs Use St. Patrick Theme

A St. Patrick's Day motif was used as decoration for the Ada Rebekah Lodge's Tuesday meeting in the IOOF hall. Noble Grand Leila Merritt presided at the Officers' Guest night meeting.

Katherine Kilgallon was the chairman for the evening assisted by Violet Carlton, Lola Lane, Anne Barnard, Katharine Jones and Grace Gardner.

The hall was decorated with green clover leaves. On the tables in the banquet room were small Irish men and women made from colored balloons.

Reba Chappell volunteered her services as advisor to the Theta Rho group. The Rebekahs also decided to send a representative to the Business and Professional Woman's meeting held Wednesday, Mrs. Anna Hedegard became a member by transfer.

After the business meeting the officers introduced their guests. They were: past noble grand Virginia Wagner, Josephine Lodge; noble grand Frances Trimeene, Santa Clara; vice-grand Nellie Hanele, Saratoga; conductor Stella Rawlings, Stella Lodge; warden Gertrude Berry, Cupertino; chaplain Mary Yoey, Saratoga; right supporter noble grand Mildred Wagner, Josephine; left supporter noble grand Ann Ramp, Cupertino; right supporter vice-grand Irene Priest, Saratoga; left supporter vice-grand June Holliday, Josephine; outer guard Lucelea Echardt, Josephine; recording secretary Helen Church, Saratoga; financial secretary Bessie Parker, San Jose 87; treasurer Ivy Burnett, Saratoga; musician Mildred Gerst, Cupertino; left altar bearer Ella Matheson, Stella; light altar bearer Ruby McNair, Saratoga; and left altar bearer Irene Sparling, Cupertino. Refreshments were then served.

"IT'S FOR YOU"

Canvassers Ring Doorbells When Red Cross Launches '49 Drive

The Red Cross campaign launched its initial drive Monday with canvassers ringing door bells all over Campbell and vicinity. The drive, conducted by chairman Henry Jewell, will close March 10 if the quota is reached.

"The response has been good this week so far," said Jewell. "However, we need eight or ten more canvassers to cover the districts of Campbell. The streets are very short and it wouldn't take too much time to cover them." Jewell also needs an additional crew with automobiles to cover districts on the outskirts of town.

Rain and bad weather has slowed many of the calls, the chairman remarked, and said the drive may be extended if the collectors can not reach all the homes by March 10.

"Many people are not at home when the Red Cross agent calls," Jewell said. "If you are one of those who has a note saying the Red Cross called, drop your contribution in the mail or bring it in person to the Campbell Water company, Red Cross headquarters."

Many local organizations have volunteered their services in making the drive go over the top for the Campbell area. Those groups who will help collect and their chairmen are: Mrs. J. Stephens, Cambrian Home and School club; Mrs. H. H. Haxleton, Moreland PTA; Mrs. J. R. Longfellow, Campbell

'Days of '49' Theme Of Annual Dinner Of Country Club

"Days of '49' will be the theme for the annual dinner party given by the Country Woman's club for their husbands Monday, March 7, at 6:30 p.m. in the clubroom. The chairman for the evening is Mrs. Ray Steindorf.

"All members and guests are requested to wear cottons and jeans or clothes befitting the period," said the chairman.

The food, decorations and music will also carry the '49er theme. Those who are helping Mrs. Steindorf with the dinner are Mesdames P. J. Rauch, Ralph Herring, W. K. Block, G. R. Newcomb, G. H. Parker, P. G. Wilson, Norman Houde, and H. F. Cousins.

By BOB CARP

School News

From

SAN TOMAS

By VIRGINIA JOHNSTONE
and SUE COFFIN

The school children at San Tomas school turned out in full force Wednesday, February 23, to witness the planting of the school's first tree. We gave a pledge to the flag and then two boy scouts, Gary Lukehart and Raymond Kay planted the tree. Mrs. Ferata, Mrs. Miller and Mrs. Lukehart came out and each put a shovelful of dirt on the tree. Mr. Shuey said that we would soon have many more trees to shade our school grounds. He said this tree was a Chinese Elm.

Kindergarten News — The kindergarten is having a lot of fun making potato prints. They cut some to look like flowers and some were heart shaped. They used them to make their mothers' valentines.

The kindergarten is trying to keep their room looking neater. Johnny Rone and Allan Smith help with the cleaning in the afternoon. Tommy Baigooen and Michael Hartman are the children who supervise in the morning.

The Junior Primary class is making a large American flag. It is made of paper circles pasted together.

The PTA prize money was used to buy four goldfish and a big bowl. There are only three left, one went to "fishland" shortly after arriving. There are two black ones and one gold one.

We are all going to miss our student teacher, Mrs. Lois Britland. Her six weeks period with us went by very quickly. On our last day with our class, we presented her with a booklet of pictures and letters written to her.

The fourth, fifth and sixth grades have a drum and bugle corps. They played in the Old Settlers parade but were unable to get enough drums. Miss Taix, the teacher in charge, said we would be able to play soon if we could get some more drums.

The first packages to go to Holland left last week and are now on their way to the people in Holland.

In Arbor Day Ceremonies Sunday

Cub Scouts, parents and friends braved bad weather Sunday to take part in or witness the tree planting ceremony held at the San Tomas school grounds. Pack 30 boys planted six Lombardy Poplar trees, one for each of the dens in the pack. William Shuey, San Tomas school principal, received the presentation.

The ceremony was in connection with Arbor Day, March 7, but was planned a week in advance to that the trees could benefit from the promised rains.

Membership Open
Now In San Tomas
New Men's Club

All men living in the San Tomas school district are invited to join the new San Tomas Men's club. It is being organized for the purpose of getting all men in the community together for social activities and sponsoring a Boy Scout troop for the district.

Posters, made by students of the San Tomas school, will be displayed all this week as invitations to join. Prizes are being awarded for the best three posters.

The charter meeting will be held tonight at 7:30 p.m. at the San Tomas school. All men are invited to come and bring a friend.

8. Avoid allowing your shadow to fall into the picture.

9. If photographing people, do so when the sun is at an angle, either morning or afternoon. The sun directly overhead at noon paints ugly black shadows over the subjects eyes.

10. For best composition, place yourself or subject in the best possible position.

11. Compose the principle subject as large as possible. Too small a subject and too much detail decrease picture interest.

These several guides to better photography are only part of the story. Perhaps the biggest bugaboo of the uninitiate in any kind of photography is composition. Without benefit of its application, pictures are boring snapshots. And that's exactly what the name implies to photos without composition—mere snapshots—hurriedly done. There is no central point of interest, lacking in theme and too much of everything. Composition can be a complicated thesis of study, or it can be enjoyable easy to apply. The simple rule to re-

Last Workshop
To Be Held Today
In Grammar School

Campbell Union grammar school will be the scene of the last of the reading workshops being conducted this week in several Santa Clara county elementary schools for teachers in the upper grades.

Miss Helen Wakek, reading consultant for Scott, Foresman & Company, publisher of textbooks upon which the county reading program is based, will lead the workshop to be held from 3 to 5 p.m. Institute credits will be given teachers attending.

Russell Timpany, assistant county school superintendent, has arranged the meetings for grades four through eight because interest in the reading program has centered on the lower grades in the past, he feels.

Principal Says
School Workday
Big Success

Work day at San Tomas school Saturday was a real success according to Principal William Shuey. Before the rains came 10 men turned out to construct two basketball standards, a horizontal ladder and three horizontal bars.

Men who participated in the workday were: C. C. Pray, Jack and Harry McClendon, Charles Shay, Charles Cook, Bud Allen, Eric Stuart, Oscar Walters, Eddie Hinch and Shuey.

Thirty out of 32 cub scouts of the San Tomas group marched in the Old Settlers' Parade led by Assistant Cubmaster C. C. Pray.

A foreign trade delegation in Bucharest is said to have asked a Rumanian official how his country's trade relations with Russia were going.

"Very good," replied the Rumanian. "We deliver our grain to the Russians. In return, they take our oil."—Exchange.

Baptist Young People Win Banner At Annual Rally In Oakland

Fifteen young people from the Campbell Baptist church, 115 Sunnyside street, won the banner award at the annual youth rally of the Conservative Baptist Youth Fellowship of Northern California in Oakland last Friday.

The rally was held at the 23rd Baptist church. Conservative Baptist churches throughout northern California were represented. A great variety of special music was rendered by various young people and an inspiring gospel message was brought by Dr. Vincent Brushwyler, general director of the conservative Baptist Foreign Mission society.

The banner award was issued on the basis of number attending and distance travelled. Miss Joan Pouk of the Campbell delegation received the presentation.

The young people are looking forward to the next rally which will be held sometime in May. Advisor for the group is Bill Hartman. Pastor of the Campbell Baptist church is A. F. McKenney.

Edward Hanson Dies In Campbell; Native Of Norway

Funeral services were conducted Monday at the Rutherford Funeral Home for Edward Hanson, age 79, who died Friday in Campbell. He was a native of Norway.

Surviving Hanson are his daughter Mrs. Lloyd Hanson of Rio Linda; a sister, Mrs. Anna Baucher ad brother Ike Hanson, both of St. Paul, Minn.; sister-in-law Mrs. Mary Anderson, Campbell; niece Phyllis and nephews Angus and Rudy Anderson, Campbell.

Rev. Corwin Olds officiated at the services. Interment followed at Santa Clara city cemetery.

ROGER LAPHAM, S. F., China E.C.A. Chief—"It will be a long stretch before China catches up with the modern world."

Rev. Brown To Talk At Local Youth Rally March 6

The Reverend Arthur Brown of the First Presbyterian church of San Jose will be the feature speaker at a rally of the Western Santa Clara Valley Christian Youth council. The local rally of this national protestant youth movement will be held Sunday, March 6, at the Los Gatos Presbyterian church from 5:45 to 9 p.m.

On the program, in addition to the speaker, will be a short business meeting followed by refreshments served by the host church.

Young people from Campbell, Los Gatos, Saratoga, Cupertino and Sunnyvale are included in this interdenominational organization sponsored by the WSCV of churches. Membership is open to all protestant youth of high school or college age in the area. The purpose of the group is to unite the Christian youth and inspire them to greater service.

Any church youth groups interested in joining should get in touch with president Richard Lundy, Route 3, box 61, Los Gatos.

English Tables No Longer Groan Over Heavy Food Loads

Life in merrie old England has changed somewhat since the storied days when dinner tables groaned and sagged under the weight of course after bountiful course.

Consider the British sausage manufacturer who last week was

Guy Smith Sr Dies In San Jose; Funeral Held

Funeral services were held on Wednesday for Guy Smith Sr., 77, who passed away in his San Jose home Monday. Smith was the oldest employee of Prune and Apricot Growers, having served with them for 32 years.

Services were conducted at the Williams Chapel and interment followed at Oak Hill Memorial Park.

Smith, a native of Nebraska, came to Pacific Grove in 1895. He was very active in the Christian church in San Jose and had many Campbell friends.

Surviving Smith are his wife, Mrs. Guy Smith, San Jose and his sons Guy Smith Jr., Campbell; Robert B. Smith, San Jose, Whitman Smith, Woodside; Burton Smith, Reseda, Calif., and seven grandchildren.

warned by the government that he'd have to change his methods. The meat content of his product was found to 50 per cent—far, far too much!

Then there is the sad story of the candy maker who made bootleg all-day suckers in his home in the London suburbs. This desperate character was hauled into court for buying sugar at higher than legal prices, making lollipops without a license and selling them for 20 cents more a pound than the controlled price. Considering the seriousness of the charges, he was lucky to get off with a mere six-months jail sentence.

To Take Part In Circus April 1-2

Four troops and three pack groups from Campbell will take part in the Scout Circus to be staged on April 1-2 at the Civic auditorium in San Jose. Troops 9, 32, 34, 36 and Packs 9, 10 and 19 will take part in the big festival.

Cub Packs, Scout troops and Senior units throughout the Santa Clara Scout council area are to take part in the circus. It is sponsored by the San Jose Junior Chamber of Commerce under the direction of John Campbell, chairman of the Youth Work committee. Sub-committees to handle the program, publicity, physical arrangements, and ticket sales, are already at work to help make the circus a big success.

Units have been given the opportunity to select acts to be staged in the three rings of the Circus. The big festival will carry all the features of a regular Circus including clowns, animals and thrill events. In addition the general public will have an opportunity to see the 2450 Cub Scouts, Boy Scouts and Senior Scouts in action, demonstrating their program features.

Round Table Plans April Camporee

At the last meeting of the District Scouters Round Table plans were made for a District Camporee to be held at Stuart Scout Camp April 23 and 24. It is anticipated that all troops of the district will arrange to participate in this event as a prelude and rehearsal for the larger Council Camporee to be held in May. Final details will be made at the next Round Table gathering at Campbell Methodist Church, March 15.

Those attending the Round Table were rewarded with some first hand information on the preparation for such camp events through the Visual Training Film "Troop and Patrol Hiking" shown and discussed during the evening.
Field Executive Ken Robinson stressed the National Scout program and its slogan "Strengthen the Arm of Liberty." This is an effort to promote among the younger generation an appreciation of the principles of American Citizenship, and impress upon them that the struggle to preserve our Liberty is a continual one, a fresh conquest for each generation.

\$1,235,547 of New Capital Invested in San Jose Water Works System During 1948 ...

*This Makes a Total of Over \$3,300,000
Expended for New Construction
in the Last Five - Year Period*

DURING 1948 San Jose Water Works spent \$1,235,547 to enlarge and extend its facilities and provide water mains to serve new residential subdivisions. This new capital was invested to keep ahead of growing demands for service. In 1948 the Company:

- LAID 262,000 feet—about 50 miles—of water mains;
- CONSTRUCTED and placed in operation a new 1,000,000 gallon reservoir;
- INSTALLED services to 3,831 new customers which brought the total of customers served, at the end of 1948, to 39,518;
- COMPLETED plans for the construction of a \$1,250,000 storage reservoir on Los Gatos Creek;
- MADE numerous other additions and improvements to its widespread distribution system.

1948 Payroll was \$366,923

During 1948 San Jose Water Works' payroll amounted to \$366,923 paid to 107 employees.

This year's power cost totaled \$83,705 and a very substantial amount of its yearly expenses on items to carry on its business was spent with local firms.

Taxes Amounted to \$352,548

For the year 1948 the Company paid \$352,548 in taxes which was divided as follows:

Federal Taxes	\$206,527
State Taxes	17,461
City and County Taxes (Real and Personal Property) ..	122,330
City and County License Taxes ...	6,230

\$3,338,102 Expended for Additions in 5 Years

As the population increase accelerated and materials became available, the Company immediately moved ahead of demands as shown by the following table:

Year	Increase In Consumers	Expenditures for New Capital Additions
1944	300	\$ 31,323
1945	757	422,262
1946	1,868	708,129
1947	2,978	940,841
1948	3,831	1,235,547
TOTALS	9,729	\$3,338,102

\$1,027,000 Budget for 1949

For the year 1949 San Jose Water Works has budgeted the expenditure of \$1,027,000 for new mains, services, and additions of operating facilities.

In addition to this an estimated \$250,000 will be expended on the new dam and reservoir to be constructed on Los Gatos Creek which will add a maximum of 9,000 acre feet (approximately 3 billion gallons) of water storage to the Company's system.

Water Supplied from Mountains and Wells

The Company supplies water by gravity runoff from protected water sheds in the Santa Cruz Mountains and from 36 wells in the Santa Clara Valley floor.

The extensive transmission and distribution system is so arranged that gravity or pumped water may be used separately or combined.

The combined maximum capacity of the Company's sources of supply amounts to about 59,000,000 gallons per day. So far, the maximum amount served to all consumers in any one day has been 30,000,000 gallons leaving a safety factor of 49% to meet future demands of residential and industrial growth.

The average day's service is in the proximity of 18,000,000 gallons.

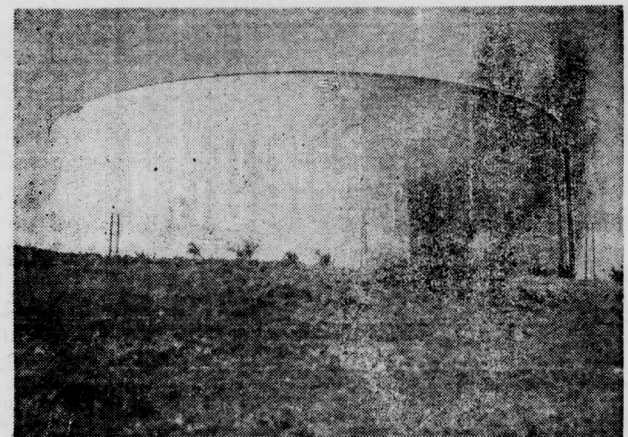

No Domestic Water Shortage— No Rationing

Never in its 82 years of service to its customers has San Jose Water Works been short of water. The Company has planned well ahead of growth and, as a result, the community has benefited. This is a firmly established policy which will continue.

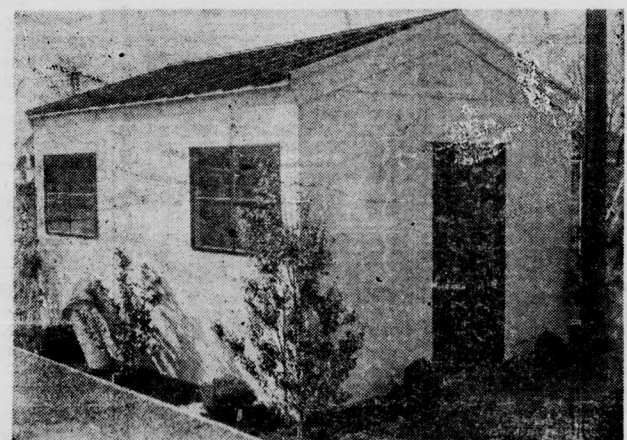

■ ■ ■

Installation of 10-inch Main, Monterey Road

1,000,000 Gallon Steel Reservoir, Oak Hill

Pump Station, Grant and Vine Streets, San Jose

While taxes, wages, and all the materials and supplies we use in our business have soared in price, there has been no increase in the cost of your water service in 25 years. In fact, voluntary decreases were made in 1933 and 1937!

**WATER IS THE CHEAPEST ITEM
IN YOUR FAMILY BUDGET**

SAN JOSE WATER WORKS

374 West Santa Clara Street, San Jose
